- being politically correct

So, what is a witch hunt? A witch hunt is a politically motivated, often vindictive investigation that feeds on public fears.

So, what is a fishing expedition? It's a political and legal idiom that we use to describe an investigation carried out without any clearly defined plan or purpose, in the hope of discovering useful negative information about someone.

Red tape refers to official rules that seem more complicated than necessary and prevent things from being done quickly.

- two wrongs don't make a right
- absolute power corrupts absolutely

- the economy
